**Letter of Recommendation:**

Liberty Exteriors LLC under the direction of Jeff Pohl, removed old steel and installed new steel roof panels on three of our turkey barns (120,000 sq ft). The job was completed in a professional and timely manner and we are very satisfied with the work that was performed. Jeff Pohl was professional, thorough, knowledgeable and easy to work with. Based upon my experience with them, I would recommend Liberty Exteriors. Jeff Pohl has my authorization to use me as a reference for further job opportunities that Liberty Exteriors may want to pursue.

Sincerely,

Randy Olson, Owner
