To Whom It May Concern:

As the owner of Gorecki Manufacturing, Inc, I am very pleased to recommend Liberty Exteriors to anyone needing their services. They not only shingled my personal home, but they did such a great job that I had them install metal roofs on two of my manufacturing plants.

I had the pleasure of working with this company's representative, Paul Gale. Paul worked tirelessly with my insurance company to ensure all storm related damages were covered. The crews were great and they worked quickly to get the roofs done with minimal inconvenience to our company. As a business man, I am looking for a company that can accomplish a job quickly and efficiently. I believe that I have found that in Liberty Exteriors. If you need someone in your corner that is professional, knowledgeable, and who will work diligently with your insurance company to ensure that you are taken care of, I believe that Liberty Exteriors is your company.

Sincerely,

Benedict Gorecki
