To whom it may concern:

We are very happy to offer a recommendation for Liberty Exteriors. This company did a really outstanding job when they reroofed and resided our community homes. They also repaired and stained our decks. The crews were prompt and professional. Their salesman took care of all the details large and small. He met with the adjuster and worked with the insurance company to make sure that we received every possible benefit for the damages done to our homes. Liberty really took care of us from beginning to end. If you choose to have Liberty Exteriors to be your contractor you have chosen well.

Sincerely,

Ketty Green
